

Creating Strong Passwords

BY: EYES OPEN SOCIAL MEDIA SAFETY

Name: _____

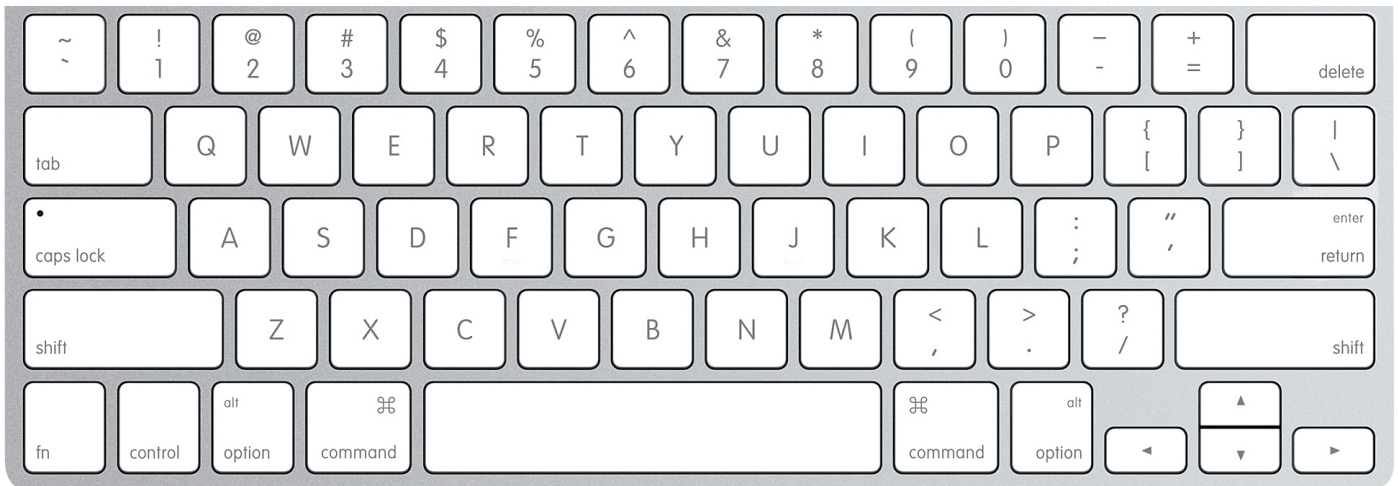

Worksheet 1 - Level 3

Symbols are keyboard characters that are not letters or numbers, like % or ? or even /

TASK 1:

Use the keyboard below and find all of the symbols that you think could be used in passwords. (HINT: There are 32 and you can get them all from this keyboard.)

Worksheet 3 - Level 3

Name: _____

TASK 3:

1. Choose a theme from the box below:

2. Write out five of the words from your chosen theme using at least one:

Capital letter

Symbol; and

Lowercase letter

Number

Your teacher has the words for each theme.

3. Did you do anything special to help you to remember these passwords?

Like, did you use the same symbol each time, or did you put the capital in the same place in each word?
